

# GrandKids Summer Policies

With summer here it is time to review some policies and have some FUN!!!!!!!

## Summer Protection

Sunscreen from home should be brought and will be applied to your child when we are outdoors. The summer sun is very hot and our children's delicate skin seems to burn easily. If you wish to bring bug spray to have applied to your child please also bring and label that, sometime those summer bugs can be nasty! A permission slip for both products is attached. Please sign and return.

## Summer Attire

Please check your child's cubby to make sure they have an extra set of "summer clothes" in them. Many times we get "wet" for different reasons and we need to change. The extras stored in my office are not always just what we are looking for so please double check that you have what is needed for a "quick "change. If we do not have something to change your child into you may get a phone call to bring us something.

## Summer Shoes

I will be enforcing the summer shoe policy. We do a lot of walking to the park and pool and playing outside, and "flip-flop" type sandals are too hard to keep on and can sometimes be a danger to us. Please leave any shoes home that are uncomfortable or that are hard to walk in such as flip flops, shoes with heels and boots. Please make sure all shoes have a **secure back** on them. It is very hard to run, jump and play safely in these types of shoes.

## Summer Rides

Our summer includes many golf cart rides when it is available to us. **Please** sign the attached golf cart permission slip. All children will be buckled in to a seat belt when they are on the cart.

## Summer Water Fun

I am not declaring any certain days as "pool days". We will travel to the pool as the weather permits and as our schedule allows us to do. We also will have our sprinklers hooked up and our pools here will be ready to use as we can. **PLEASE** have a swimsuit and towel to **leave** in your child's cubby on a daily basis. It is no fun when we are getting ready to find out one of our friends does not have a swimsuit.
