Turn your required minimum distribution (RMD) into a charitable donation
IRS rules mandate that individuals age 70 1/2 and older take RMDs from their Traditional IRA each year, regardless of whether the income is needed. These annual withdrawals are subject to ordinary income taxes. By making a charitable contribution from your IRA, you can satisfy your RMD amount without reporting additional income. This provision may be especially attractive for retirees who don't need all the income from their IRA to meet current living expenses. By donating the money to charity, you can enjoy the satisfaction of knowing that you are contributing to a worthy cause while effectively lowering your tax bill. **Donations must be made from the IRA custodian directly to the charity by 12/31/11 to qualify for the 2011 tax year.** Please contact Claire at St. John's for more information.

If an RMD donation is not right for you, but you'd like to talk more about different ways you can contribute to St. John Lutheran Home Foundation please contact us. There are numerous options available that may fit your

Minnesotans give and help create a stronger nonprofit community for Minnesota. What is Give to the Max Day?

Give to the Max Day is a day for Minnesotans to come together to raise as much money as possible for nonprofits in 24 hours – starting at midnight on November 16 through midnight on November 17. A \$15,000, \$10,000 and \$7,500 prize grant will be awarded to the top three small nonprofit organizations – with budgets under \$750,000 – which receive the most dollars on Give to the Max Day. In addition to the 24 “Golden Tickets”, \$1,000 prize grants given randomly every hour, one \$10,000 “Grand Golden Ticket” will be randomly given at 11:59 p.m. on November 16, 2011.

NEWS FROM ST. JOHN LUTHERAN HOME FOUNDATION

As Christian Servants, we strive to enhance the physical, emotional, social and spiritual well-being of all who are in our Circle of Care and in the communities we serve. St. John's Circle of Care is dedicated to educate, promote quality of life and independence while offering a stimulating and attractive environment. Our mission is to provide quality care to all persons in need of our services.

The St. John Lutheran Home Foundation exists for the benefit of our residents, their families, the staff and St. John's Circle of Care as a whole, in its continued effort to advance the mission and vision of St. John Lutheran Home.

A Celebration of Thanksgiving

10 years in The Chapel of the Good Shepherd, 110 years of St. John Lutheran Home's Service to the Community

On Sunday, October 30, 2011, our community celebrated the gift and blessing of both the Chapel of the Good Shepherd and St. John Lutheran Home.

In its 110 year history, it is remarkable that St. John Lutheran Home has always had a chapel and a chaplain. Our care and building have always reflected our commitment to the spiritual well-being of those we serve. Though many organizations include spiritual care in their mission statement, few provide the resources for that care. Through the generosity of our churches, community, residents, families and staff the St. John Lutheran Home Foundation has made this possible. Neither state nor federal funding provide for this care. Our celebration began with a prayer service of thanksgiving lead by Chaplain Mary Pauluk, Rev. Mark Luther Johnson of St. Paul Lutheran Church, Rev. Carl Seamon of Sundown Lutheran Church, and Fr. Dennis Labat of St. Raphael Catholic Church. Refreshments and fellowship continued throughout the afternoon.

In the last ten years, St. John Lutheran Home Chapel of the Good Shepherd has hosted 101 funerals and/or visitations of former residents, 7 baptisms of resident family members, and 3 weddings of family members. The chapel is used every day and hosts a wide variety of events such as, church services, therapeutic recreation activities, community functions and celebrations. Thank you for your continued support of St. John Lutheran Home and our mission to provide quality care to all persons in need of our services.

With heartfelt gratitude we acknowledge the Memorials and Donations we received from November 8th 2010 —October 10th 2011

Enjoy the seasons at The Maples!

The Maples on the driveway are still the most brilliant red! What a beautiful season we have had – so many glorious days to treasure. Each season means different things to all of us at the Maples. In the spring we remembered planting as the trees around the building were filled with pink and white blossoms. During the summer we watched things become lush and green and the birds nested nearby. The frogs and toads from the pond invaded our space for a little time, but mostly they sang to us from across the lawn. Fall has opened its colors to us slowly and held them out to us with such beauty – it's hard to remember how small those Maple trees were just a few years ago. Winter is coming and our home at the Maples is safe and secure when the snow falls and the wind blows. There is always someone nearby whether you need help with something or just conversation. Tenants don't have to worry about getting out for groceries or to shovel the snow that falls. Staff Members are glad to be working in this lovely building. Stop in for coffee with a friend – you probably know someone who lives here. We love to welcome guests!
