

ST. JOHN'S *CIRCLE OF CARE* — FOUNDATION —

St. John's Circle of Care is once again offering an opportunity for employees to apply for 3 scholarship programs.

The St. John's Circle of Care Foundation Scholarship offers three \$500 scholarships to current St. John's employees who are graduating seniors OR are currently attending a formal study program. Applicants will be considered based on hours of service, application information and personal interview.

The Mildred Dorow Erickson Memorial Scholarship offers one \$500 award. **Applicants must be nominated by a peer/other St. John employee.** The scholarship is based on information including grade transcripts, work experience, letters of recommendation and a short essay. This scholarship recipient is chosen by Mildred Dorow Erickson's family.

The Auxiliary Education Fund offers \$500 to a St. John's Circle of Care employee who is a graduating senior and who wishes to further their education.

Applications for all 3 scholarships are now available to employees of St. John's Circle of Care who plan to further their education, as a downloadable .pdf on the St. John's website and at the SJLH Front Desk.

The deadline for all applications is April 7th, 2023

Sincerely,

Lindsey Beyer
Foundation Director/Community Relations
St. John's Circle of Care
